Dose, Tabatiere, snuff box

cm

18th Century
circa 1790

Jean George Remond

A circular box, the cover sides and base set with panels of opaque pale pink enamel within white enamel frames, the cover painted with a capriccio depicting a couple in a landscape before a river, with architectural details to the right and a city beyond, the base with a seated shepherdess and her suitor in a wooded landscape, the sides similarly painted with rural scenes, within *taille d'épargne* blue enamel borders with trailing gold foliage and flowerheads
